Technology & Telecommunicator Error	2
Resulting in an external investigation	0

<b>Sustained/Partially Sustained complaints by complainant type</b>	<b>38</b>
EMS	12
LE	2
Fire	21
Citizen	2

All complaints are processed in accordance with Center Standard Operating Procedure 1.5 Organizational Integrity. The Center utilizes many aspects to correct the deficiencies when a complaint is caused by Telecommunicator or technology error. Some of these corrections include, but are not limited to, additional/remedial training, corrections to technology, and progressive discipline when necessary.
