Child Shot on Grimball Rd

(James Island, SC) On September 27, 2018, just after 5:30 p.m., Sheriff's Deputies responded to a shooting in the 1800 block of Grimball Road on James Island. Deputies arrived at a residence to learn that a 10 year old female suffering from a gunshot wound to her leg was transported to a hospital. A 10 year old juvenile male was present. Detectives interviewed available parties and examined the scene. At this point, detectives believe that the juvenile male accessed the firearm and accidentally shot the juvenile female, as there is no indication that the shooting was intentional. The victim's wound is serious, and she is in treatment at a hospital. Detectives are still investigating the matter and are working to locate the owner of the firearm.

This is an active investigation. Anybody with information is asked to call the Charleston County Sheriff's Office at 843-743-7200 or Crimestoppers of the Lowcountry at 843-554-1111.
