CHAPTER 6 | USE REGULATIONS

ARTICLE 6.8 SHORT-TERM RENTALS

Sec. 6.8.1 Purpose and Applicability

A. Purpose. The County is committed to working to protect the traditional quality of life and character of its residential neighborhoods. The County has concerns about permitted Short-Term Rentals resulting in increased traffic, noise, trash, parking needs, safety and possible adverse impacts and other undesirable changes to the nature of the County's neighborhoods. Therefore, after providing many opportunities for public input and following careful study and consideration, County Council finds it appropriate and in the best interests of its residents, property owners, and visitors to regulate Short-Term Rental Properties (STRPs) within unincorporated Charleston County.

This Article sets out standards for establishing and operating Short-Term Rental Properties. These regulations are intended to provide for an efficient use of Dwellings as STRPs by:

1. Providing for an annual permitting process to regulate STRPs;
2. Balancing the interests of properties that are frequently used in whole or in part by Short-Term Rental Tenants;
3. Allowing homeowners to continue to utilize their residences in the manner permitted by this Ordinance for the Zoning District in which a particular Dwelling is located;
4. Providing alternative accommodation options for lodging in residential Dwelling Units; and
5. Complementing the accommodation options in environments that are desirable and suitable as a means for growing tourism.

B. Applicability.

1. *Short-Term Rental Types.* The following Short-Term Rentals shall be authorized pursuant to this Article:

- a. STRP, *Limited Home Rental (LHR)*;
- b. STRP, *Extended Home Rental (EHR)*; and
- c. STRP, *Commercial Guest House (CGH)*.

2. *Applicable Zoning Districts.* STRPs shall be allowed within the Zoning Districts of this Ordinance in accordance with Table 6.1.1, *Use Table*, applicable Overlay and Special Purpose Zoning District Regulations, and as approved in Planned Development Zoning Districts. Planned Development Zoning Districts that do not specify STRPs as an allowed use must be amended to allow STRPs.

3. *Application.* Applications for STRPs shall be made in compliance with this Article.

4. *Variances.* Variances from the requirements of Sec. 6.8.3.A, *Use Limitations and Standards*, are prohibited.

C. Registration. All STRPs require a Zoning Permit and Business License, which must be renewed annually pursuant to this Article.

D. Compliance with Other Regulations. All STRPs, including Nonconforming Uses as allowed for in this Article, shall comply with all applicable local, state, and federal rules and regulations.

(Ord. No. 2316, 10/29/2024)

Effective on: 10/29/2024, as amended

Sec. 6.8.2 Permitting Processes

Sec. 6.8.4 Enforcement and Violations

- A. Notwithstanding the provisions of [CHAPTER 11, Violations, Penalties, and Enforcement](#), of this Ordinance, a STRP Zoning Permit may be administratively revoked by the Zoning and Planning Director or his designee if the STRP has violated the provisions of this Article on three or more occasions within a 12-month period. However, a STRP Zoning Permit may be immediately revoked if the Zoning and Planning Director determines the STRP has Building Code violations, there is no current Business License for the property, the property is being used in a manner not consistent with the Zoning Permit issued for the STRP use, or the advertisement for the STRP does not include the County issued STRP Zoning Permit Number and Business License Number for the current year.
- B. If a STRP Zoning Permit is administratively revoked or an application for a STRP Zoning Permit is administratively denied, a STRP owner (or authorized agent) may appeal the Zoning and Planning Director's administrative decision revoking or denying the STRP Zoning Permit to the Board of Zoning Appeals within 30 calendar days from the date of the denial or revocation. Sec. 6.8.5 Amortization of Nonconforming STRPs

The South Carolina Local Government Comprehensive Planning Enabling Act of 1994, as amended (Planning Act) authorizes local governments to terminate a nonconformity by specifying the period or periods in which the nonconformity is required to cease or be brought into compliance pursuant to S.C. Code Ann. Section 6-29-730 (2007).

Therefore, if a Dwelling was legally used as a STRP prior to July 24, 2018, the Dwelling may continue as a Nonconforming Use pursuant to [CHAPTER 10, Nonconformities](#), of this Ordinance until July 24, 2023 to allow for the recovery or amortization of the investment in the Nonconforming Use, after which the Nonconforming Use as a STRP shall terminate.

During the amortization period, all Nonconforming STRPs must comply with all other requirements of this Article as is reasonably possible, including but not limited to, making an application for a Short-Term Rental Permit. Exceptions will be made for restrictions on maximum number of rental days, special exceptions use conditions, owner occupancy status, or use subject to conditions.

Not less than 60 days before the end of the amortization period, the owner of the Dwelling may request a special exception to the amortization period. All requests shall be made to Board of Zoning Appeals in writing, and all decisions shall be subject to the provisions of Art. 3.6 of the ZLDR except for Art. 3.6.1 and Art. 3.6.5.

The Board of Zoning Appeals may grant an extension of the time of the amortization period if the owner of the Nonconforming STRP proves that he is unable to recoup his investment in such property by the conclusion of the amortization period.

Criteria and Findings. In determining whether to grant an extension of the amortization period for a Nonconforming STRP, and in determining the appropriate length of such an extension, the Board of Zoning Appeals shall consider the following factors:

- A. The gross income and expenses from the Nonconforming STRP since the use began;
- B. The amount of the property owner's investment in the Nonconforming STRP prior to July 24, 2018;
- C. The amount of such investment that has been or will have been realized at the conclusion of the five-year amortization period;
- D. The present actual and depreciated value of the property and improvements;
- E. The applicable Internal Revenue Service depreciation schedule;
- F. The total length of time the Nonconforming Use has existed;
- G. The existence or nonexistence of lease obligations, as well as any contingency clauses permitting termination of such lease;
- H. The remaining value and allowed uses of the property after discontinuing the Nonconforming Use;
- I. The ability of the property owner to change the use to a conforming use;
- J. The effects of the Nonconforming Use on the surrounding area;
- K. The extent to which the Nonconforming Use is incompatible with surrounding uses and properties;
- L. The interference with or threat to the public health, safety, and welfare of the community; and
- M. Any other factor the Board of Zoning Appeals reasonably determines is related to determining whether the investment in the Nonconforming Use has been recovered.

The Board of Zoning Appeals shall receive and consider evidence presented by the Applicant, and shall make findings that the amortization period it establishes is reasonable in view of the evidence and the criteria set forth above.

Proposal: Special Exception request to establish a Short-Term Rental Property, Extended Home Rental (EHR) in the Low-Density Manufactured Housing Subdivision (MHS) Zoning District.

Subject Property

Single Family Residence and Parking

Surrounding Properties

Wigeon Lane

Staff Review:

The applicants and property owners, Janine and Tyler Lacosse, request a Special Exception to establish a Short-Term Rental Property, Extended Home Rental (EHR), at 1617 Wigeon Lane (TMS # 331-07-00-086) on James Island in Charleston County. The subject property and surrounding properties are located within the Low-Density Manufactured Housing Subdivision (MHS) Zoning District.

According to Charleston County records, the property contains a single-family residence with three (3) bedrooms, constructed in 2002. The applicant proposes to utilize the residence as an Extended Home Rental by renting two (2) of the bedrooms, providing four (4) on-site parking spaces (two in the garage and two in the driveway) in compliance with the *Charleston County Zoning and Land Development Regulations Ordinance (ZLDR)*, and accommodating a maximum of five (5) guests. As the property is not owner-occupied, it does not qualify for a Limited Home Rental and must be reviewed as an Extended Home Rental in accordance with ZLDR requirements.

ZLDR defines "Owner-Occupied Short-Term Rental Property" as *"A property with a Dwelling where lodging is offered, advertised, or provided to Short-Term Rental Tenants (excluding Family members) for individual rental terms not exceeding 29 consecutive days for a fee or any form of compensation, and which is occupied by the record owner of the Subject Property who has designated the Subject Property as his/her legal residence subject to the legal assessment ratio according to the records of the County Assessor's Office and who:*

- A. Has designated the Subject Property as his/her legal voting address; or*
- B. Has designated the Subject Property as the address on his/her driver's license or other government issued identification."*

The applicant's letter of intent explains, *"Requesting a Short-Term Rental Property-Extended Home Rental Zoning Permit and Business License for 1617 Wigeon In Charleston, SC 29412. 2 Bedroom single family home is proposed to be rented 144 nights per year.*

The *Charleston County Zoning and Land Development Regulations Ordinance (ZLDR)*, Chapter 6 Use Regulations, Article 6.1 Use Types and Use Table, Sec. 6.1.3 Special Exception Uses states, *"An "S" indicates that a use type is allowed only if reviewed and approved in accordance with the Special Exception procedures of this Ordinance, subject to compliance with use-specific conditions and all other applicable regulations of this Ordinance."* Sec. 6.1.6 Table 6.1-1 Use Table indicates that Short-Term Rentals, Extended Home Rental (EHR) in the Low-Density Manufactured Housing Subdivision (MHS) Zoning District is a use type allowed only if it complies with use-specific conditions of (Article 6.8 Short-Term Rentals) all other applicable regulations of this Ordinance and is approved by the BZA as a Special Exception.

Staff conducted a site visit on September 17, 2025. Please review the attachments for further information regarding this request.

Article 6.8 Short-Term Rentals, Sec. 6.8.2 Permitting Processes, C. Special Exception: Notwithstanding the provisions of Art. 3.6, Special Exceptions, of this Ordinance, the following approval criteria shall apply to STRPS in place of those contained in Sec. 3.6.5

of this Ordinance if a Special Exception is required to obtain a STRP Zoning Permit based on the Permitting Process provided in Table 6.8.2 of this Article:

§6.8.2C.(1): *Is compatible with existing uses in the vicinity and will not adversely affect the general welfare or character of the immediate community;*

Response: The proposed Short-Term Rental Property (STRP) use may be compatible with existing uses in the vicinity and may not adversely affect the general welfare or character of the immediate community. The applicant's letter of intent states, *"We have become close with our direct neighbors and many others throughout the community and will operate our rental so as to not impact those nearby. We will have strict rules for guests to follow as it pertains to noise, parking, occupancy and code of conduct. The proposed use is consistent with many other properties located in the **Riverfront neighborhood which are operated as STR/EHR's.**"* Furthermore, the applicants have submitted two (2) letters of support from adjacent property owners at 1615 Wigeon Lane and 1608 Terns Nest Road. Therefore, the request may meet this criterion.

§6.8.2C.(2): *Adequate provision is made and/or exists for such items as: Setbacks, buffering (including fences and/or landscaping) to protect adjacent properties from the possible adverse influence of the proposed STRP use, such as noise, traffic congestion, trash, parking, and similar factors; and*

Response: Adequate provisions have been made and/or exist for such items as: setbacks, buffering (including fences and/or landscaping) to protect adjacent properties from the possible adverse influence of the proposed STRP use, such as noise, traffic congestion, trash, parking, and similar factors. The **applicant's** letter of intent states, *"The property has fences on all sides of the yard that share a boundary line with our neighbors. Parking will include 2 garage spaces and 2 driveway spaces which will minimize any potential parking congestion in the area. Trash cans will be stored neatly on the side of the home at all times except for trash day."* Therefore, the request may meet this criterion.

§6.8.2C.(3): *Complies with all applicable rules, regulations, laws and standards of this Ordinance, including but not limited to any use conditions, zoning district standards, and applicable STRP Site Plan Review requirements of this Ordinance.*

Response: The applicant is currently in the STRP, Limited Site Plan Review process to ensure the property is in compliance with the applicable requirements of this Ordinance and to coordinate with other pertinent regulatory agencies including Revenue Collections (Business License) and Building Inspection Services. **In addition, the applicant's letter of intent states,** *"Noise, waste management, and occupancy standards are addressed and will be maintained in compliance with the ordinance. Adequate parking is provided on property. The proposal does not negatively impact surrounding properties or infrastructure. The proposed use of this property mirrors the use of multiple other properties in the Riverfront community."* Therefore, the request may meet this criterion.

Special Exceptions may be approved only if the Board of Zoning Appeals finds that the proposed use meets all 3 of the approval criteria. In evaluating your request, the members of the board will review the answers below as a part of the case record. You may attach a separate sheet if necessary.

1. Describe how the proposed use is compatible with existing uses in the vicinity and will not adversely affect the general welfare or character of the immediate community.

We have become close with our direct neighbors and many others throughout the community and will operate our rental so as to not impact those nearby. We will have strict rules for guests to follow as it pertains to noise, parking, occupancy and code of conduct. The proposed use is consistent with many other properties located in the Riverfront neighborhood which are operated as STR/EHRs.

2. Describe what adequate provisions are being made and/or exists, for such items as: setbacks, buffering (including fences and/or landscaping) to protect adjacent properties from the possible adverse influence of the proposed STRP use, such as noise, traffic congestion, trash, parking, and similar factors.

The property has fences on all sides of the yard that share a boundary line with our neighbors. Parking will include 2 garage spaces and 2 driveway spaces which will minimize any potential parking congestion in the area. Trash cans will be stored neatly on the side of the home at all times except for trash day.

3. Explain how the proposed use complies with all applicable rules, regulations, laws and standards of this Ordinance, including but not limited to any use conditions, zoning district standards, and applicable STRP Site Plan Review requirements of this Ordinance.

Noise, waste management, and occupancy standards are addressed and will be maintained in compliance with the ordinance. Adequate parking is provided on property. The proposal does not negatively impact surrounding properties or infrastructure. The proposed use of this property mirrors the use of multiple other properties in the Riverfront community.
