Public Meeting to discuss construction for Maybank Highway Improvements Project

Charleston County will hold a community meeting Thursday, April 27 from 6:30 to 7:30 p.m. at Haut Gap Middle School to provide information to the public on the upcoming construction of the Maybank Highway Improvements Project.

Members of the community are encouraged to attend the meeting to learn about phases of construction and hear from the project team. There will be a brief presentation at the start of the meeting and staff will answer construction questions following the presentation.

Date: Thursday, April 27, 2017
Time: 6:30 to 7:30 p.m.
Location: Haut Gap Middle School, 1861 Bohicket Rd, Johns Island, SC 29455

This phase of the project includes the continuation of the lane from the Paul J. Gelegotis Bridge to the existing right turn lane at the intersection of River Road. The widening will help alleviate the afternoon congestion onto Johns Island caused by the merging of the two travel lanes. Bicycle and pedestrian accommodations are also included.

The goal of the project is to improve traffic flow and safety on Maybank Highway and to provide adequate bicycle and pedestrian accommodations. Planning for the project started in 2007 and construction will be completed in three phases.

Visit the official website at <http://roads.charlestoncounty.org> for public meeting notices and up-to-date news and information about all Charleston County Transportation Sales Tax road projects. Anyone with questions about the project can call Charleston County's Transportation Development Department at (843) 202-6140.
