Hurricane Dorian Update #4

Hurricane Dorian website: <https://www.charlestoncounty.org/hurricaneinfo.php>

Charleston County Emergency Management advises citizens to exercise caution as Dorian impacts the Charleston area. At 6:00 p.m. buses stopped running from transportation pickup points to shelters. Citizens who decided not to evacuate should stay off roadways and avoid driving through floodwaters.

Public Safety Information:

- EMS will continue normal operations unless weather conditions force units to suspend response. Our wind monitoring is divided into four zones and decisions of operation are based on wind speeds within each zone. If winds reach sustained 30 miles per hour we will transport to the closest most appropriate facility. If winds reach 40 sustained, we will cease responses but will resume as soon as it is safe to do so.
 - Charleston County High Wind Bridge Procedure:
<https://www.charlestoncounty.org/departments/emergency-management/files/BridgeProceduresHighWinds.pdf>
