Traffic Alert: Daytime Lane Shifts for Maybank Highway and Woodland Shores

Work being done is part of the Complete Streets Project

On Monday, April 4, Charleston County Public Works will begin lane shifts on Woodland Shores Road at Paw Paw Street. Crews are scheduled to work between 8:30 a.m. and 4:30 p.m. If traffic backs up, trucks will pull over to allow drivers through. There are no scheduled lane closures for this work.

Details

- Work is scheduled from April 4-7 from 8:30 a.m. to 4:30 p.m.
- There will be flaggers on-site to direct traffic.
- Work vehicles will pullover and allow for vehicles to pass to relieve potential traffic backups.
- Residents are asked to use caution while driving through the construction area.
- All work is weather permitting.

Charleston County Public Works is doing work to confirm depth of existing utilities in relation to the proposed sidewalk project. The project extends along Woodland Shores Road from the intersection at Maybank Highway to Riverland Drive. The primary purpose of the project is to construct a new sidewalk to improve safety for bicyclists and pedestrians. The project is funded through Charleston County Transportation Committee (CTC) funds, and by the Berkeley-Charleston-Dorchester Council of Governments (BCDCOG). For more information, please call Charleston County Public Works at 843-202-7600 or email pwcustomerservice@charlestoncounty.org.
