## Curbside Recycling Update

On June 6, Republic Services began collection of curbside recycling throughout Charleston County. Due to normal issues with a transition, a few neighborhoods were not serviced on their assigned day last week. Republic is committed to addressing these locations early this week and Charleston County staff will continue working with Republic to identify areas for improvement throughout the transition. Thank you for your patience.

The new recycling pickup schedule can be found at <https://www.charlestoncounty.org/departments/environmental-management/recnewsletter.php>.

Residents can contact Charleston County Environmental Management by:
