Frampton Construction grows regional headquarters with Charleston County expansion

\$12.9 million investment will create 69 new jobs

[Frampton Construction](#), a full-service construction firm, today announced it is growing its regional headquarters with an expansion in Charleston County. The \$12.9 million investment will create 69 new jobs.

Founded in 1993, Frampton Construction offers planning and design support as well as preconstruction and construction services for the commercial, industrial, and manufacturing market sectors. The company is enlarging its manufacturing business unit and expanding the support staff dedicated to growing and developing Frampton team members.

Wanting to remain in Ladson but needing more space, Frampton Construction purchased land and built a 40,000-square-foot facility which is located at 9705 Highway 78, Suite 105, in Ladson. The company also has offices in Charlotte, North Carolina and Tampa, Florida.

Operations are online, and individuals who are interested in joining the Frampton Construction team should visit the company's [careers page](#).
