## Charleston County Offers Virtual Workshop to Tackle Environmental Challenges

Register for the workshop via [zoom](#).

Charleston County's Resilience and Sustainability staff are offering a virtual community workshop for residents to learn more about the County's path towards a more sustainable and resilient future. The community input session will be held **Tuesday, October 10 at 6 p.m.** via Zoom. [Registration](#) is required. Residents will be able to participate and ask questions during the session through the chat feature.

Community feedback is a vital part of the County's plans to tackle environmental challenges like rising temperatures, flooding, and reducing carbon emissions. In 2021, Charleston County Council voted to adopt a [Climate Action Resolution](#) which encourages the creation and implementation of a community-based integrated Climate Action Plan.

-----  
*In keeping with the Americans with Disabilities Act (ADA), those needing assistance should contact Charleston County at (843) 202-6917 during regular business hours.*
