Palmetto Commerce Interchange Project Update

Charleston County Public Works will host a community meeting on Tuesday, December 5, 2023

Charleston County Public Works will provide an update on the Palmetto Commerce Interchange Project on **Tuesday, December 5 from 6-7 p.m. at Gospel Light Baptist Church**. The church is located at 8723 Salamander Drive, North Charleston 29406.

Project managers will review the scope of the project, work completed so far, and what residents can expect in the next three months of construction. This meeting will include a presentation at 6 and will not be a drop-in style meeting.

The Palmetto Commerce Interchange project will reduce travel times, improve access options, increase traffic mobility in the I-26/Ashley Phosphate Road area, and provide a more efficient commute. Construction began in August and substantial completion is expected in early 2026.

In keeping with the Americans with Disabilities Act (ADA), those needing assistance should contact Charleston County at (843) 202-6917 during regular business hours
