## UPDATE: Nighttime Lane Closures on I-26

During the first week of December crews will close westbound and eastbound lanes on I-26 between Ashley Phosphate and the US 78 Interchange. This work is part of the Palmetto Commerce Interchange Project. Drivers are asked to follow traffic control signs and reduce speed limits within the construction area. All work is weather permitting and subject to change.

- Sunday, December 3: Eastbound 7 p.m. to 6 a.m.
- Monday, December 4: Eastbound 6 p.m. to 5 a.m.
- Tuesday, December 5: Eastbound and Westbound 6 p.m. to 5 a.m.
- Wednesday, December 6: Westbound 7 p.m. to 6 a.m.
- Thursday, December 7: Westbound 7 p.m. to 6 a.m.

The Palmetto Commerce Interchange project will reduce travel times, improve access options, increase traffic mobility in the I-26/Ashley Phosphate Road area, and provide a more efficient commute. Construction began in August and substantial completion is expected in early 2026.
